Dear SC Football Parents,

I am pleased and excited as we finished our June schedule this morning. To recap our last few months, we had an outstanding Spring Football season. Our players and coaches attacked the spring very aggressively and our team certainly improved. In June, we practiced and competed extremely well at both Tulsa team camp and in two 7on7 events. I am proud of our summer so far.

As you know, we will enter into the 2 week dead period. As a reminder, no athletes will be allowed on campus for any kind of training. We do recommend that our football players stay actively involved with their weight training plan and their running program. Coach Weddle will be sending this information to our players. When we return on July 11, we will most definitely hit the ground running with our Shiloh Speed Program!

Also remember that the week we return is our Southwest Elite 7on7 Tournament. We have 33 teams from 7 different states. This is an excellent opportunity for us to show others just how special Shiloh Christian really is.

I hope you all have a wonderful 17 day vacation! Please keep your boy(s) well-fed, hydrated, 8 hours of sleep, acclimated to the heat, and well-trained, to name a few! *I have a feeling some of you will be wanting to send some of these boys back to me earlier.*
